ATTENTION! According to the provisions of point 1.11 paragraph 4 of Annex no. 1 to OMFP no. 58/2021, "in order to submit the annual financial statements related to the financial year 2019 in paper and electronic format or only in electronic form, signed with a qualified digital certificate, the file with the zip extension will also contain the first page from the annual financial statements listed with the assistance program developed by the Ministry of Public Finance, signed and scanned black and white, legible".

## **Stipulations regarding the obligations of economic operators regarding the preparation the annual reports provided by the accounting law**

### A. Preparation of annual reports

#### 1. Annual financial statements, according to art. 28 paragraph (1) of the accounting law:

- deadline - 150 days from the end of the financial year;

#### 2. Annual accounting reports, according to art. 37 of the accounting law:

- deadline - 150 days from the end of the financial year, respectively of the calendar year;

- entities that submit annual accounting reports:

- the entities applying the Accounting Regulations in accordance with the International Financial Reporting Standards, approved by OMFP no. 2844/2016 with subsequent amendments;

- entities that have opted for a different financial year from the calendar year;

- the subunits opened in Romania by companies resident in states belonging to the European Economic Area;

- the legal persons in liquidation, according to the law - within 90 days from the end of the calendar year.

Submit annual financial statements and annual accounting reports:

- the entities applying the Accounting Regulations in accordance with the International Financial Reporting Standards, approved by the OMFP no. 2.844 / 2016, with subsequent modifications and completions; and

- entities that have opted for a different financial year from the calendar year.

#### 3. Declaration of inactivity, according to art. 36 paragraph (2) of the accounting law, filed by the entities that did not carry on activity from the establishment until the end

financial reporting year:

- deadline for submission - 60 days from the end of the financial year

B. Correction of errors included in the annual financial statements and the annual accounting reports - it can only be done under the conditions of the Error Correction Procedure included in the annual financial statements and the annual accounting reports submitted by the economic operators and the legal persons without patrimonial purpose, approved by OMFP no. 450/2016, as subsequently amended and supplemented.

The accounting errors, as defined by the applicable accounting regulations, are corrected according to the respective regulations. As a result, in the case of correction to them, another set of annual financial statements / corrected annual accounting reports cannot be submitted.

C. The mode of reporting in the case of returning to the calendar year, following the election of a financial year different from the calendar year, according to art. 27 of the law accounting

Whenever the entity chooses a different financial year from the calendar year, the provisions of art. VI paragraph (1) - (6) of OMFP no. 4.160 / 2015 regarding amending and supplementing accounting regulations.

In the case of returning to the calendar year, the accounting law does not provide for the submission of any notice in this regard.

According to the provisions of art. VI paragraph (7) of the said order, in case the entity modifies the date chosen for the preparation of annual financial statements in this way that the reporting financial year returns to the calendar year, the balance sheets reported starting with the following financial year 1) ended refers to January 1, December 31, respectively, and the revenue and expenditure accounts correspond to the current financial year 2), respectively to the financial year preceding the reporting.

For example, if a company that had the financial year other than the calendar year chooses to return to the calendar year starting January 1, 2021, it prepares accounting reports as follows:

- for December 31, 2020 - annual accounting reports;

- for December 31, 2021 - annual financial statements.

D. Accounting of the amounts received from the shareholders / associates - is made in the account 455 3) "Amounts owed to the shareholders / associates".

If the loans are received from affiliated entities, their value is recorded in the account 451 "Settlements between the affiliated entities".

-----

- 1) It refers to the first financial year for which the annual financial statements are drawn up at the level of a calendar year.
- 2) This is the first financial year that becomes a calendar year.

Thus, according to the example presented above, the balance sheets included in the annual financial statements concluded on December 31, 2021 refer to the January 1, 2021 and December 31, 2021, respectively, and the revenue and expenditure accounts correspond to the current financial year (2021), respectively to the financial year financial prior to the reporting (2020).

3) See, in this regard, the provisions of point 349 of the accounting regulations, according to which the amounts deposited or temporarily left by the shareholders / associates at the disposition of the entity, as well as the related interests, calculated according to the law, are recorded in accounting in separate accounts (account 4551 "Shareholders / associates - current accounts ", respectively account 4558 " Shareholders / associates - interest on current accounts").

Balance / Transactions to be carried forward from the accounting balance in forms F10 and F20 col.2 (current year)

Note! Select first the type of entity (big and medium-sized / small / micro)!
