17th

International Postgraduate Course in

31/5-2/6 2018

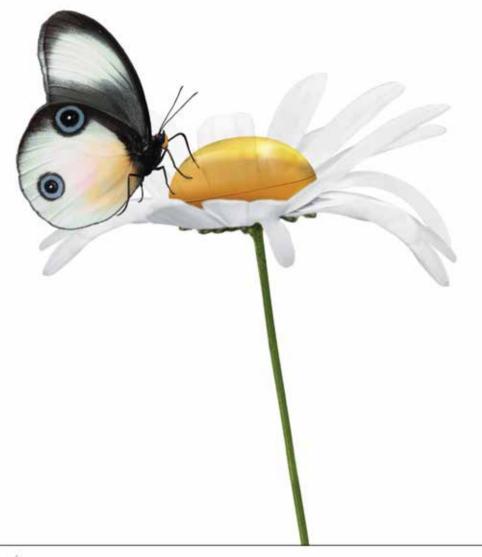

Athens, Greece

Final Programme

Tirosint® Liquid levothyroxine in soft gel capsules

31/5-2/62018 National & Kapodistrian University of Athens, Athens, Greece

Dear Colleagues and Friends,

It is our honour and pleasure to welcome you in Athens for the 17th International Postgraduate Course in Endocrine Surgery, which is offered by the International Association of Endocrine Surgeons (IAES) and will be held from May 31st to June 2nd 2018 at the historical Central Building of the National and Kapodistrian University of Athens.

The International Postgraduate Course in Endocrine Surgery is a long-standing tradition of the International Association of Endocrine Surgeons and has an established track record in offering high quality education to participants from all over the world, while its purpose is to foster exchange of ideas and promote safe and effective treatments of endocrine surgical diseases.

The scientific program of the 17th International Postgraduate Course in Endocrine Surgery consists of diverse lectures, debates and interactive case studies sessions, while internationally recognized faculty and leading practitioners from Europe, America, Australia and Asia share their experience on specific subjects and current issues.

We are excited to welcome our internationally recognized faculty in Athens, the cradle of Western civilization, and we look forward to a fruitful meeting.

Thank you for your participation.

Dimitrios Linos, M.D., Ph.DProfessor of Surgery
Director of 5th Surgical Clinic,
National & Kapodistrian University of Athens

Faculty List

International Faculty

Keat Cheah

Associate Professor, Department of Surgery, Ng Teng Fong General Hospital, Singapore

Woong Youn Chung

Professor, Director of Endocrine Surgery Division, Department of Surgery, Yonsei University College of Medicine, Seoul, Korea

Quan-Yang Duh

Professor and Chief of Endocrine Surgery, University of California, San Francisco, USA

Peter Goretzki

Professor of Surgery, Head of the Endocrine Surgery section, Surgical Clinic 1, Charite -Humboldt University, Berlin, Germany

Ketwong Khwannara

Consultant, Police General Hospital, Thailand

Chen Hsen Lee

Consultant in Taipei Veterans General Hospital and National YangMing University, Lecture Professor in National Chiao Tung University, Taiwan

Dimitrios Linos

Professor of Surgery, Director of 5th Surgical Clinic, National & Kapodistrian University of Athens, Greece

Akira Miyauchi

President and COO, Kuma Hospital, Center for Excellence in Thyroid Care, Kobe. Japan, President-Elect of the International Association of Endocrine Surgeons (IAES), Chairman of the Asian Association of Endocrine Surgeons (AsAES)

Bruno Niederle

Professor of Surgery, Former Chief Section Endocrine Surgery, Division General Surgery, Department of Surgery, Medical University, Wein, Austria

Fausto Palazzo

Consultant Endocrine Surgeon, Hon. Senior Lecturer, Hammersmith Hospital, Imperial College Healthcare NHS Trust, London, UK

Janice Pasieka

Clinical Professor of Surgery and Oncology, Cumming School of Medicine, University of Calgary, Canada, Secretary of the International Association of Endocrine Surgeons

Allan Siperstein

Professor and Chair, Department of Endocrine Surgery, Cleveland Clinic, Cleveland Ohio, USA

Mark Sywak

Endocrine Surgeon, Head of the Department of Endocrine and Oncology Surgery, Royal North Shore Hospital, Clinical Associate Professor at the University of Sydney, Australia

Geoffrey Thompson

Section Head, Endocrine Surgery, Professor of Surgery, Mayo Clinic College of Medicine and Science, Mayo Clinic Distinguished Clinician, USA

Jan Zedenius

Professor of Surgery, Department of Breast, Endocrine Tumours and Sarcoma, Karolinska University Hospital, Stockholm, Sweden

Local Faculty

Maria Alevizaki

Professor of Endocrinology, Medical School, National & Kapodistrian University of Athens. Greece

Evangelia Charmandari

Professor of Pediatric and Adolescent Endocrinology, First Department of Pediatrics, National & Kapodistrian University of Athens Medical School, Greece

George Chrousos

Professor of Pediatrics, National & Kapodistrian University of Athens, Greece

Leonidas Duntas

Professor of Endocrinology and Internal Medicine, University of Ulm, Evgenideion Hospital, Unit of Endocrinology, Diabetes and Metabolism, Athens, Greece

Ilias - Dimitrios Kafetzis

Chief of 5th Surgical Department, "Errikos Ntynant" Hospital Center, Athens, Greece

Gregory Kaltsas

Professor of General Medicine and Endocrinology, National & Kapodistrian University of Athens, Greece

Christina Kanaka-Gantenbein

Professor of Pediatrics - Pediatric Endocrinology, First Department of Pediatrics, Medical School, National & Kapodistrian University of Athens, Agia Sophia Children's Hospital, Athens, Greece

Isaak Kesisoglou

Professor of Surgery, Director of 3rd Surgical Department, Aristotle University of Thessaloniki, Greece

Andreas Kiriakopoulos

Academic Scholar, Deparment of Surgery, 5th Surgical Clinic, National & Kapodistrian University of Athens. Greece

Ioannis Koutelidakis

Associate Professor of Surgery 2nd Department of Surgery Medical School, Aristotelean University of Thessaloniki, Greece

George Mastorakos

Professor of Endocrinology, Faculty of Medicine, National & Kapodistrian University of Athens, Greece

Theodosis Papavramidis

Assistant Professor of Surgery, 1st Propedeutic Department of Surgery, Aristotle University of Thessaloniki, Greece

Nikos Roukounakis

Consultant Surgeon, 1st Surgical Department, Evangelismos Hospital, Athens, Greece

Aikaterini Saltiki

Postgraduate Fellow, Department of Medical Therapeutics, Medical School, National & Kapodistrian University of Athens, Greece

Kvriakos Vamvakidis

Director, Department of Endocrine Surgery, "Henry Dunant" Hospital Center, Athens, Greece

George N. Zografos

Consultant Surgeon, Athens General Hospital, Greece

Thursday, May 31st 2018

Opening	g Ceremony Great Hall
18:00	Welcome addresses
	Keynote Speaker: <i>Professor Fotis Pavlatos</i> "The Pavlatos Test"
	A welcome reception will follow at "Kostis Palamas" Building

Friday, June 1st 2018

08:00 - 08:15 Introduction

Quan-Yang Duh, Dimitrios Linos

Session: Pa Chairs: George	ncreas / Gl <i>"Alkis Argyriadis" Amphitheatre</i> Chrousos, Maria Alevizaki	
08:15 - 08:30	Classification of pancreatic neuroendocrine tumors Speaker: <i>Janice Pasieka</i>	
08:30 - 08:45	Localization of pancreatic neuroendocrine tumors Speaker: <i>Peter Goretzki</i>	
08:45 - 09:30	Cases: Pancreatic neuroendocrine tumors Moderator: Janice Pasieka Panelists: Maria Alevizaki, Peter Goretzki, Gregory Kaltsas, Bruno Niederle, Allan Siperstein, Jan Zedenius	
09:30 - 09:45	Current concepts and advances in neuroendocrine gastrointestinal tumors Speaker: Gregory Kaltsas	
09:45 - 10:00	Functioning pancreatic neuroendocrine tumors Speaker: Geoffrey Thompson	
10:00 - 10:45	Cases: Surgery of MEN 1 pancreas / duodenum Moderator: Mark Sywak Panelists: Gregory Kaltsas, Chen Hsen Lee, Janice Pasieka, Geoffrey Thompson, Jan Zedenius	

10:45 - 11:15 **COFFEE BREAK**

Friday, June 1st 2018

Session: Adrenal "Alkis Argyriadis" Amphitheatre Chairs: George N. Zografos, Isaak Kesisoglou		
11:15 - 11:30	Work up for adrenal incident Speaker: <i>Dimitrios Linos</i>	taloma
11:30 - 11:45	Cushing Syndrome Speaker: George Chrousos	
11:45 - 12:00	Investigating hyper androgenism of adrenal origin Speaker: George Mastorakos	
12:00 - 12:15	Pheochromocytoma Speaker: Quan-Yang Duh	
12:15 - 12:30	Hyperaldosteronism Speaker: <i>Geoffrey Thompson</i>	

12:30 - 13:30 **LUNCH BREAK**

Session: Adrenal II "Alkis Argyriadis" Amphitheatre Chairs: Quan-Yang Duh, Andreas Kiriakopoulos		
13:30 - 13:50	Debate: Adrenalectomy for the high-risk tumors: Laparoscopic versus Open Speakers: Dimitrios Linos versus Geoffrey Thompson	
13:50 - 14:00	Advances in the management of Congenital Adrenal Hyperplasia Speaker: <i>Evangelia Charmandari</i>	
14:00 - 14:15	Subtotal adrenalectomy Speaker: <i>Mark Sywak</i>	
14:15 - 14:30	Transabdominal or retroperitoneal approach for laparoscopic adrenalectomy Speaker: <i>Allan Siperstein</i>	
14:30 - 15:15	Cases: Adrenal challenges Moderator: Peter Goretzki Panelists: George Chrousos, Andreas Kiriakopoulos, George Mastorakos, Janice Pasieka, Mark Sywak, George N. Zografos	

Friday, June 1st 2018

Session: Thyroid "Alkis Argyriadis" Amphitheatre Chairs: Theodosios Papavramidis, Kyriakos Vamvakidis		
15:45 - 16:00	Ultrasound for thyroid nodules and parathyroids Speaker: <i>Allan Siperstein</i>	
16:00 - 16:15	Surgery for medullary thyroid cancer and MEN 2 gene carriers Speaker: <i>Bruno Niederle</i>	
16:15 - 17:00	Cases: MEN 2 Moderator: Fausto Palazzo Panelists: Quan-Yang Duh, Bruno Niederle, Fausto Palazzo, Allan Siperstein, Geoffrey Thompson	

17:00 END OF FRIDAY SESSION

Saturday, June 2nd 2018

Session: Thyroid II "Alkis Argyriadis" Amphitheatre Chairs: Leonidas Duntas, Ioannis Koutelidakis		
08:00 - 08:15	American Thyroid Association guidelines for differentiated thyroid cancer Speaker: <i>Keat Cheah</i>	
08:15 - 08:30	Guidelines for the management of thyroid nodules and differentiated thyroid cancer in children and adolescents Speaker: <i>Christina Kanaka-Gantenbein</i>	
08:30 - 08:45	Molecular testing (mutations and gene expression) for thyroid nodules Speaker: Quan-Yang Duh	
08:45 - 09:30	Cases: Thyroid nodules and thyroid cancer Moderator: Allan Siperstein Panelists: Woong Youn Chung, Leonidas Duntas, Christina Kanaka-Gantenbein, Chen Hsen Lee, Akira Miyauchi, Janice Pasieka	
09:30 - 09:45	The updated use of recombinant human thyrotropin (rhTSH) in DTC Speaker: <i>Leonidas Duntas</i>	
09:45 - 10:00	Central neck node dissection: selective or routine Speaker: <i>Allan Siperstein</i>	

10:00 - 10:30 **COFFEE BREAK**

Saturday, June 2nd 2018

Session: The Chairs: Chen H	nyroid <i>"Alkis Argyriadis" Amphitheatre</i> sen Lee, Nikos Roukounakis
10:30 - 11:00	Debate: Papillary microcarcinoma: Observation versus Resection Speakers: <i>Akira Miyauchi versus Geoffrey Thompson</i>
11:00 - 11:15	Multinodular Goiter: Why is surgery not always necessary Speaker: <i>Maria Alevizaki</i>
11:15 - 11:30	Nerve monitoring for thyroid surgery Speaker: <i>Peter Goretzki</i>
11:30 - 11:45	Robotic and remote access thyroidectomy Speaker: <i>Woong Youn Chung</i>
11:45 - 12:00	Transoral endoscopic thyroidectomy vestibular approach (TOETVA) Speaker: <i>Ketwong Khwannara</i>

12:00 - 13:00 LUNCH BREAK

Session: The Chairs: Peter G	nyroid IV oretzki, Kyriakos Vamvakidis	"Alkis Argyriadis" Amphitheatre
13:00 - 13:45	Cases: Surgery for advanced Moderator: Peter Goretzki Panelists: Keat Cheah, Chen Hs Fausto Palazzo, Theo Mark Sywak, Kyriako	en Lee, Akira Miyauchi, odosis Papavramidis,

Saturday, June 2nd 2018

Session: Pa	arathyroid I	"Alkis Argyriadis" Amphitheatre
13:45 - 14:00	Primary hyperparathyroidismindications Speaker: <i>Keat Cheah</i>	m: diagnosis, surgical
14:00 - 14:15	Parathyroidectomy: Operation Speaker: Janice Pasieka	ve pearls
14:15 - 15:00	·	

15:00 - 15:30 **COFFEE BREAK**

17:30

	arathyroid <i>"Alkis Argyriadis" Amphitheatre</i> asieka, Maria Alevizaki
15:30 - 15:45	Parathyroidectomy in MEN 1 and other familial primary hyperparathyroidism Speaker: Jan Zedenius
15:45 - 16:00	Secondary (Renal) Hyperparathyroidism Speaker: <i>Chen Hsen Lee</i>
16:00 - 16:30	Debate: Bilateral versus limited exploration for primary hyperparathyroidism Speakers: <i>Allan Siperstein versus Fausto Palazzo</i>
16:30 - 17:30	Cases: Challenging Endocrine Cases from Greece Moderator: Leonidas Duntas
	Presenters: Andreas Kiriakopoulos, Ioannis Koutelidakis, Theodosis Papavramidis, Aikaterini Saltiki, George N. Zografos
	Panelists (Discussion): Keat Cheah, Woong Youn Chung, Quan-Yang Duh, Peter Goretzki, Dimitrios Linos, Akira Miyauchi, Bruno Niederle, Fausto Palazzo, Janice Pasieka, Allan Siperstein, Mark Sywak, Geoffrey Thompson

END OF SATURDAY SESSION END OF THE COURSE

General Information

COURSE DATES

1-2 June 2018

COURSE VENUE

National and Kapodistrian University of Athens Historical Central Building 30 Panepistimiou street, 10679 Athens, Greece Main Meeting Room: "Alkis Argyriadis" Amphitheatre

OPENING CEREMONY & WELCOME RECEPTION

The Opening Ceremony will be held on May 31st 2018 at the *Great Hall* of the historical Central Building of the National & Kapodistrian University of Athens. A welcome reception will follow at "Kostis Palamas" Building.

COURSE SECRETARIAT

The Course Secretariat is located at the Foyer of the main meeting room "Alkis Argyriadis" Amphitheatre and will be operating on June 1st and 2nd as follows:

COURSE SECRETARIAT OPERATING HOURS

Friday, June 1st 2018	07:30 - 17:30
Saturday, June 2 nd 2018	07:30 - 18:00

REGISTRATION

REGISTRATION CATEGORY	COST
Physicians	150 €
Residents	50 €
Students*	Complimentary

^{*} Participants who register as "students" need to present their student card to the course secretariat onsite. Complimentary Registration does not include course material.

Registration Fee includes:

- Attendance of the Scientific Program
- Participation to the Opening Ceremony and Welcome Reception
- Congress material
- Certificate of attendance

COURSE MATERIAL

Badges and course material will be provided to all registered participants by the Course Secretariat. Badges are mandatory for admission and access to the meeting halls and exhibition, as well as all course functions. For that reason, you are kindly requested to wear your badge visibly at all times.

CERTIFICATE OF ATTENDANCE

A certificate of attendance will be provided to all registered participants on the last day of the course.

OFFICIAL LANGUAGE

The official language of the course is English. No interpretation will be provided.

ACCREDITATION

"The 17th International Postgraduate Course in Endocrine Surgery, Athens, Greece, 31/05/2018-02/06/2018 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 13 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity."

INTERNET CORNER

Internet access will be available at the dedicated Internet corner located at the foyer of "Alkis Argyriadis" Amphitheatre.

TV PLASMA - COURSE PROGRAM

The scientific program of the course will be displayed on a LED Monitor 50" for the participants convenience.

SPEAKERS PREVIEW DESK

A Speakers preview desk is located at the foyer of "Alkis Argyriadis" Amphitheatre. All presentations should be delivered at the Speakers Preview Desk at least one hour prior to the beginning of the session.

AUDIOVISUAL EQUIPMENT

Main Meeting room will be equipped with computer, data video projector for PowerPoint presentations and screen. No slide projector or transparency projector will be available. All speakers are required to use a USB-key or CROM for their presentations. All versions of MS PowerPoint are accepted excluding Mac. Please note that personal laptops will not be permitted for the use of presentations. Speakers are kindly requested to hand in their presentation at the Speakers' Preview Desk located outside the main meeting room at least one hour prior to their session.

LIABILITY & INSURANCE

The Organizers accept no liability for any personal injury, loss or damage of property or additional expenses incurred to Congress participants, either during the Congress or as result of delays, strikes, or any other circumstances. Participants are requested to make their own arrangements with respect to health and travel insurance.

Destination Information

TIME ZONE

Athens, like the rest of Greece, belongs to the Eastern European Time Zone and is two hours ahead of Greenwich Mean Time (GMT +2). Like most European countries, Athens implements daylight saving time.

CURRENCY

Euro €

THE AIRPORT

The new award-winning Athens International Airport, Eleftherios Venizelos, serves 83 international destinations. Its close proximity to the city centre, 30 minutes by car and 40 minutes by train, makes Athens easily accessible.

ACCESS TO THE VENUE

The metro line 2 (red line) serves the Historical Central Building of the National & Kapodistrian University of Athens. Metro station is exactly outside the venue.

WEATHER

Athens is an ideal year-round destination with comfortable and favourable climate conditions for travel and sightseeing. The average temperature on May is 17° - 27°.

SANOFI GENZYME 🧳

Challenges With High-Risk Patients

Patients with previous wound infection and comorbidities experience higher rates of surgical site occurrences (SSO) and surgical site infections (SSI). The increased rate of early complications can impact the long-term patient outcome with a mesh or biologic hernia repair. Modified hernia grading scale shown below:1

Low risk of complications No history of wound infection

Grade 2

Smoker Obese

Diabetes

History of wound infection

SSO = 27%

Clean-Contaminated Contaminated Dirty

SSO = 46%

PHASIX™ Mesh

 Provides a strong, long-term repair without permanent material, as demonstrated in preclinical data1.3,4

PHASIX™ Mesh Family: The Next Phase in Challenging Hernia Repair²

Based on preclinical data, Phasix Mesh slowly remodels as the abdominal wall heals, ultimately restoring strength to the abdominal wall.1

'Preclinical data on file; results may not correlate to clinical performance in humans.

²Data on file.

Based on Phasix^{III} Mesh.

Always one step ahead!

One of the most modern medical centers in Europe, the European Interbalkan Medical Center (EIMC) offers 383 hospital beds, 23 ultramodern Operating Rooms and Intensive Care Units of 48 beds. EIMC holds important, international certifications (TEMOS, TEMOS Excellence, ISO) while at the same time it is included in the DIPLOMATIC COUNCIL "BEST HOSPITALS WORLDWIDE 2014, 2015, 2016, 2017 & 2018". EIMC has been acclaimed by the Imperial College of Science, Technology & Medicine, Medical School, in the UK, as: "the most modern and comprehensive Medical Center in Europe".

At the forefront of science

- The first robotic-assisted thoracoabdominal esophagectomy in Greece
- The first robotic-assisted thoracic surgery lobectomy in Greece
- The first surgery for kidney tumor removal, using a 3D ultrasound-guided robotic head, in Greece
- Implantation of the 1st pacemaker in Northern Greece
- State-of-the art endobronchial ultrasound (EBUS-TBNA) for non-invasive diagnosis with the application of local anaesthesia

High Specialization Departments

- Robotic Surgery
- Interventional Radiology: Invasive procedures for vessels, Invasive procedures for cancer, Drainage of fluid collections, Invasive procedures for the musculoskeletal system
- Cardiology: Diagnostics, Heart Catheterization Lab-Interventional Cardiology, Heart-Surgery
- Brain Embolization Center/Neuro-Surgery
- Hepatobiliary Center Colorectal Center
- Surgical Oncology: European School of Peritoneal Surface Malignancy (HIPEC)
