

AO Trauma Seminar- Upper Extremity (Shoulder and Elbow)
Athens, 15-16 MARCH 2019

Preliminary Program

Friday 15 March

Module 1: Fractures of the clavicle and scapula

Moderator: M. Tyllianakis

8.50		Welcome & course overview C. Sinopidis & M. Tyllianakis
9.00	Lecture	Current Concepts on Clavicular fractures P. Stavlas
9.20	Lecture	Acromioclavicular joint injuries A. Kiriakos
9.40	Lecture	Complex Injuries of the scapula & Flail shoulder J. Gliatis
10.00		Discussion
10.15	Group discussions	Scapular and clavicle injuries
11.15	Coffee Break	

Module 2: Fractures of the proximal humerus

Moderator: C. Sinopidis

11.45	Lecture	Decision making-operative vs non operative treatment A. Panagopoulos
12.00	Lecture	Decision making- salvage vs arthroplasty Z. Kokkalis
12.15	Lecture	Malunions of the proximal humerus A. Kiriakos
12.30	Lecture	Dealing with complications after proximal humeral fixation J. Ferousis
12.45		Discussion
13.00	Group discussions	Proximal humeral fractures
14.00	Lunch break	

Module 3: Fractures of the humeral shaft

Moderator: O. Savvidou

15.00	Lecture	Current concepts on humeral shaft fractures and non unions A. Panagopoulos
15.20	Lecture	External fixation is there a place? N. Giotakis
15.40	Lecture	Post surgical non-union of the humeral shaft P. Givissis
16.00		Discussion

Module 4: Difficult cases/ Panel Discussion

16.30	Discussion	Clavicle ACJ and scapula Moderator: J Gliatis All Faculty
17.30		Closing and summary

Saturday 16 March

Module 5: Complications/shoulder and humerus

Moderator: A Panagopoulos

9.00	Lecture	Infection after osteosynthesis of the humerus N. Giotakis
9.15	Lecture	Complications of post trauma shoulder arthroplasty J. Ferousis
9.30	Lecture	Shoulder stiffness J. Gliatis
9.45	Lecture	Plexus Injuries / Chronic pain syndrome Z. Kokkalis
10.00		Discussion
10.30	Panel discussion	Humeral fractures Moderator: A Panagopoulos All Faculty
11.00	Coffee break	

Module 6: Fractures around the elbow

Moderator: P Stavlas

11.30	Lecture	Complex fractures of the distal humerus- fixation Z. Kokkalis
11.45	Lecture	Complex fractures of the distal humerus- arthroplasty C. Sinopidis
12.00	Lecture	Transolecranon fractures dislocations of the elbow P. Givissis
12.15	Lecture	Fracture dislocations & acute elbow instability O. Savvidou
12.30	Group discussions	Fractures of the distal humerus and elbow dislocation
13.30	Lunch break	

Module 7: Fractures around the elbow – complications

Moderator: P Givissis

14.30	Lecture	Failure of fixation of distal humeral fractures in the young adult. M. Tyllianakis
14.45	Lecture	Post traumatic stiffness of the elbow O. Savvidou
15.00	Lecture	Soft tissue injuries of the elbow P. Stavlas
15.15	Lecture	The role of external fixation for elbow injuries N. Giotakis
15.30	Discussion	
16.00	Panel discussion	Elbow injuries Moderator: Z Kokkalis All Faculty
16.30		Closing remarks M. Tyllianakis & C. Sinopidis
