The 2nd International Workshop on “Transbronchial and Mediastinal Cryobiopsy in Respiratory Medicine: Novel insights” will be held from **18 to 19 of June, 2025**, at the European Interbalkan Medical Center, in Thessaloniki, Greece.

Venue: European Interbalkan Medical Center, Thessaloniki, Greece

Aim of the course: The purpose of the course is to familiarize the participants on current indications and innovative techniques of Transbronchial and Mediastinal Cryobiopsy both in theory and practice.

Compliant: The workshop will be compliant to Ethical MedTEch.

Registration

- 400€

(includes education on Transbronchial and Mediastinal Cryobiopsy, coffee and lunch breaks, certificate of attendance with CME points)

- 800€

(includes 2-night accommodation at the Egnatia Hotel in Thessaloniki, transfer from and to the airport, education on Transbronchial and Mediastinal Cryobiopsy, coffee and lunch breaks, certificate of attendance with CME points)

2nd International Workshop

**“Transbronchial and Mediastinal Cryobiopsy in
Respiratory Medicine: Novel insights”**

Number of participants: 20

Certificate of attendance

The Workshop will be marked with **11 credits** of Continuing Medical Education/Continuing Professional Development (ECMECs) accredited by the European Accreditation Council for Continuing Medical Education (EACCME®)

Organised by:

Interventional Pulmonary Unit, European Interbalkan Medical Center,
Thessaloniki, Greece

Correspondence:

Dr. Iraklis Titopoulos, MD, Ph.D.
Head, Interventional Pulmonary Unit

SCIENTIFIC PROGRAMME

Day 1 | Wednesday 18 June 2025

08:30 - 09:00	Registration
09:00 - 09:30	Welcome & Introduction Moderator: I. Titopoulos Greetings from the WABIP President Pyng Lee
09:30 - 09:50	Session 1a Moderators: I. Titopoulos, A. Tzouvelekis Transbronchial cryobiopsy in diffuse parenchymal lung disease: the role of cone beam CT guiding system V. Poletti
09:50 - 10:10	Session 2a Moderators: K. Antoniou, Z. Daniil MDT Meetings in the Diagnosis and Management of Diffuse Parenchymal Lung Diseases. The role of Cryobiopsy S. Tommasetti
10:10 - 10:30	Session 3a Moderators: Z. Daniil, G. Margaritopoulos Transbronchial cryobiopsy in lung infiltrates manifesting with acute lung failure V. Poletti
10:30 - 10:50	Session 4a Moderators: K. Antoniou, S. Tryfon The diagnostic role of BAL in fibrotic ILDs Eir. Vasarmidi
10:50 - 11:10	Session 5a Moderators: A. Tzouvelekis, S. Tommasetti Diagnostic & Therapeutic management of PPF: novel insights K. Antoniou

11:10 - 11:30

Session 6a

Moderators: **S. Tryfon, Eir. Vasarmidi**

Antifibrotic therapy in progressive in IPF: When and where
G. Margaritopoulos

11:30 - 12:30

Interactive Discussion

Moderator: **I. Titopoulos**

Commentators: **V. Poletti, S. Tomassetti, A. Tzouvelekis, K. Antoniou**

12:30 - 13:00

Break - Light Lunch

13:00 - 15:00

Workshop (W1) | mCBCT-guided TBLC

Surgeon: **I. Titopoulos**

Interactive Discussion

Commentators: **V. Poletti, F. Sampsonas**

15:00 - 16:30

Discussion and analysis of Workshop (W1)

Moderator: **I. Titopoulos**

Commentators: **V. Poletti, S. Tomassetti**

16:30 - 17:00

1st Day Wrap-up

Moderator: **I. Titopoulos**

08:30 - 09:00	Welcome
09:00 - 09:20	Session 1b Moderators: S. Tomassetti, S. Tryfon Endobronchial ultrasound-guided mediastinal cryobiopsy: a novel approach for mediastinal lymph node sampling H. K. Gonuguntla
09:20 - 09:40	Session 2b Moderators: I. Titopoulos, A. Palamidas Safety and feasibility of ultrathin probe cryobiopsy <i>via</i> robotic bronchoscopy K. Lau
09:40 - 10:00	Session 3b Moderators: V. Poletti, K. Lau Transbronchial lung cryobiopsy for peripheral pulmonary lesions M. Angelidis
10:00 - 12:00	Workshop (W2) EBUS-guided MCB Surgeons: I. Titopoulos, F. Sampsonas Interactive Discussion Commentator: H. K. Gonuguntla
12:00 - 13:00	Break – Light Lunch
13:00 - 15:00	Workshop (W3) mCBCT + REBUS Cryo for PPL Surgeons: I. Titopoulos, A. Palamidas Interactive Discussion Commentators: K. Lau, F. Sampsonas
15:00 - 16:00	Conclusions - Q&A Moderator: I. Titopoulos Commentators: V. Poletti, S. Tomassetti, H. K. Gonuguntla, K. Lau
16:00 - 16:30	End of the Workshop

FACULTY LIST

M. Angelidis / Pulmonologist, Interventional Pulmonology Unit, European Interbalkan Medical Center, Thessaloniki, Greece

K. Antoniou / Professor of Respiratory Medicine, Faculty of Medicine, University of Crete, Head of Molecular & Cellular Pneumology Laboratory, Fellow of European Respiratory Society

Z. Daniil / Professor of Pulmonology, University of Thessaly, Pulmonology Clinic, Larissa University Hospital, Larissa, Greece

H. K. Gonuguntla / Consultant Interventional Pulmonologist and Critical Care Specialist, Yashoda Hospitals, Secunderabad, India

K. Lau / Clinical Director and Consultant Thoracic Surgeon, St Bartholomew's Hospital, London, UK

G. Margaritopoulos / MD, PhD, Consultant in Respiratory Medicine, Reader in Interstitial Lung Diseases, "G. Papanikolaou" Hospital, Aristotle University, Thessaloniki, Greece, Honorary Clinical Lecturer, Imperial College, London, UK

A. Palamidas / Interventional Pulmonologist - Tuberculosis Specialist, PhD, University of Athens School of Medicine, Athens Medical Center, Greece

V. Poletti / Professor of Respiratory Medicine, Coordinator of Expert Centre - Head of Patient Organization, Ospedale GB Morgagni, Forlì, Italy

F. Sampsonas / Assistant Professor of Respiratory Medicine, University of Patra, Greece

I. Titopoulos / MD, PhD, Interventional Pulmonologist, Head, Interventional Pulmonology Clinic, European Interbalkan Medical Center, Thessaloniki, Greece

S. Tomassetti / Associate Professor of Pulmonary Medicine, Head of Interventional Pulmonology Unit, Department of Experimental and Clinical Medicine, Careggi University Hospital, Florence, Italy

S. Tryfon / MD, PhD, FCCP, Pulmonologist, Director NHS, Pulmonary Clinic, "G. Papanikolaou" GH, Thessaloniki, Greece, HCDS President

A. Tzouvelekis / Professor of Respiratory Medicine, University of Patras, Greece, Associate Professor Adjunct Yale School of Medicine, USA

Eir. Vasarmidi / Pulmonologist, Assistant Professor, School of Medicine, University of Crete, Greece
